Community chorus opportunity

Hello, New Salem community. The Wendell Community Chorus has been singing for about 15 years. At this point we are a small group, but we just love singing together. We are welcoming new folks to join us from neighboring towns. We start again on Monday, March 16, at 6 p.m. at the Wendell Senior Center. We sing songs of inspiration and freedom and peace. We will be meeting every Monday from the middle of March to the beginning of June. All you need is the ability to keep a tune, and you can learn our repertoire and some of the new songs that we are learning. We perform at local events. Recently, we performed at the New Salem library and the Wendell MLK celebration, and we will be singing at the Wendell Memory Cafe on March 9. The cost is \$7 to \$12 per rehearsal. It's a wonderful way to join with friends and be uplifted. If you have any questions you can call me at (413) 363-3636. If you're interested, you can come try one session to see if it fits. Let's sing into spring.

DPH Publishes 2024 Viral Hepatitis Surveillance Report

Dear partners and colleagues,

The Massachusetts Department of Public Health has published an updated Viral Hepatitis Surveillance Report, with data on hepatitis A, B, C, and D through 2024. The report can be downloaded at [this link](#).

These data continue to demonstrate the link between risk factors, such as injection drug use (IDU) and unstable housing, and viral hepatitis, with IDU being the primary mode of transmission for acute hepatitis B and acute and chronic hepatitis C. Though White, non-Hispanic/non-Latine (nH/nL) persons make up the highest number of those cases, the highest rates are seen among Black, nH/nL and Hispanic/Latine persons. More recently, a greater proportion of chronic hepatitis B cases is also comprised of Black, nH/nL persons. These trends highlight the need for greater attention to and support for populations disproportionately impacted by viral hepatitis.

Significant continued declines are seen in the overall number of newly reported hepatitis C cases, which decreased by 72% from 7,444 in 2017 to 2,116 in 2024. At the same time, an updated hepatitis C clearance cascade shows just slight progress compared to the 2023 iteration, with 60% of cases demonstrating clearance of infection.

Hepatitis D, also known as hepatitis delta, has been reportable in Massachusetts since 2015, and following the establishment of a national case definition in 2024, data on this infection are included in this report for the first time.

We encourage you to share this report with partners in your network, and we welcome feedback on its content. Please feel free to send an e-mail to Erin.K.Mann@mass.gov with any suggestions you may have. As always, thank you for your efforts in support of those affected by viral hepatitis in the Commonwealth.

Sincerely,
Erin

WARWICK LIBRARY "Humanism" discussion group - 2nd & 4th Tuesdays, March 10th/24th @ 7 pm: Humanism is a value-system that prefers human beings - their political rights and cultural creations - to anything else in the universe. It arose in the tolerant climate of ancient Rome in the writings of Cicero. Humanism has been a source of tolerance and liberalism in the modern Western world, including the secular framework of the United States. Discussion will be facilitated by Jesse Lopes of Warwick, who teaches Philosophy at Boston College. Readings may be suggested but are not required.

WARWICK LIBRARY Irish Music performance - Thursday, March 12th @ 7 pm: As a warmup to St. Patrick's Day, Char and David Beach of Warwick will provide a wee bit of Irish music and history. You're invited! Celebrate the unveiling of a portrait by Ami Fagin honoring acclaimed pipa artist Minqi Wang, followed by a live performance by Minqi. Mary George of Nuneo Entertainment writes, "Minqi's music bridges worlds -- ancient strings, modern beats, and a rare depth of feeling." A light brunch will be served at the event, March 14 at the New Salem Public Library, from 11 a.m. to 2 p.m. The event is free and open to the public. Join us for an inspiring hour of art, music, and community.

WARWICK LIBRARY Non-Fiction Discussion Group - Thursday, March 19th @ 7 pm: This discussion group is wide open: Could be something you're reading now or from long ago; science, history, memoirs, biographies; articles, books, newsletters, journals. It's all up for discussion at the new non-fiction discussion group. Designed for independent, asynchronous reading, we'll get together to share our favorite non-fiction reads and make recommendations. Come to share/discuss or just to listen and build your reading list.

WARWICK LIBRARY Monthly Short Story Hour - Rip van Winkle, March 26th @ 7:30 pm:

Washington Irving's classic short

story, published in 1819, follows a Dutch villager in the British colony of New York who, after an encounter with some unusual folk, falls asleep in the wooded Catskills and awakens 20 years later to a very changed world, having missed the American Revolution. Irving had filed for bankruptcy in 1818 after a failed family business venture, and wrote the story in one night after being inspired by a nostalgic conversation with his brother. The next morning he presented the first draft to his family over breakfast. Come to read or just to listen.

You can help organize any of these events -- sign up at Jeanneclayton27@gmail.com -- but whatever you do, open up your calendar now to September and mark Old Home Day September 12.
